HOW TO ACCESS BID INFORMATION ON-LINE

www.augustaga.gov

At Home Page, select "CITY SERVICES". At drop down, select ARCBid. Proceed to Site: Disclaimer will appear. You must accept the Disclaimer. Once accepted, the ARCBid Predefined Search Application will appear. This page will give you the option of selecting Open Bids; Bids Under Evaluation or Awarded/Closed Bids which will contain the information available on all bid items. Select from options, then select the bid item.

Should you need further assistance, please fax or email your request to the Bid Team at 706-821-2811 or procbidandcontract@augustaga.gov.

NOTE: There is a known compatibility issue with Internet Explorer 10 or Windows 8. If you are having trouble viewing bid information, try using the browser's Compatibility View (the "broken page" icon in the address box) and see if that resolves the problem.

Thank you for doing business with us...
