Terms of Sale

By my signature I confirm that I am the creator and the sole and legitimate owner of the copyright to the artwork listed above. I understand that this sale and the rights I am reserving below may be invalidated should it be proven that I am not the creator and/or sole copyright owner of the artwork.

Copyright and reproduction rights to this artwork are reserved by the Artist except as noted below.

I hereby grant permission to the buyer listed above to create and use a full or partial reproduction of the artwork for the sole purpose of providing public information about the artwork, so long as the buyer does not receive any revenue from creating and distributing such reproduction. I am giving my permission to use the reproduction in any format, including electronic and print media. I understand that I am giving non-exclusive, irrevocable, and royalty-free permission.

I respectfully request that the artwork's title and my name as its author be associated with the image whenever feasible, and I grant a license to the buyer to use my right of publicity for that purpose.

I also confirm that this permission notwithstanding, I may continue to use my own reproductions of the artwork freely in all contexts and to license others to use reproductions as well.

Moral rights to this artwork are reserved by the Artist except as noted below.

I hereby waive my moral rights to this artwork as listed in the Visual Artists' Rights Act of 1990 (17 U.S.C. § 106A) to the extent that reserving them would prevent the buyer listed above to install, move, remove, relocate, repair, sell or destroy the artwork as their best interests may appear.

I understand that the installation of the Artwork may subject the Artwork to destruction, distortion, mutilation or other modification by reason of its removal, and I agree to waive and not to pursue any legal or equitable cause of action against such modification.

If the buyer intends to destroy the artwork, the buyer is obligated by 17 U.S.C. § 106A to notify me at least 90 days in advance and offer me the opportunity to re-acquire the artwork at the original purchase price and remove the artwork to my possession at my expense.

If the buyer intends to engage a third party to perform conservation activity on the artwork, I respectfully request the right of first refusal for the performance of such work at a fair price. I also respectfully request the right to approve any proposed conservation work if I have been offered and refused to perform it myself.
